

VIRTUAL SUMMIT

APRIL 18 2024
1:00 - 6:00 PM ET

Ascending to New Heights: Innovations in Foundational Science

The Association of Biochemistry Educators (ABE) Virtual Summit promotes professional development, sharing of education best practices, scholarship, and networking for health professions educators from schools of medicine, pharmacy, and dentistry. The ABE Virtual Summit will provide you with new teaching techniques, ideas, and resources through the plenary session, workshops, and short talks.

Plenary Speaker

Mike Todorovic, PhD

Associate Professor of Medicine

Bond University, Gold Coast, Australia

Creator "Dr. Matt and Dr. Mike" YouTube channel
