**COURSE DIRECTOR FOR BASIC SCIENCES  
OFFICE OF MEDICAL EDUCATION**

The Office of Medical Education within the Herbert Wertheim College of Medicine at Florida International University is currently seeking candidates for a full-time, non-tenure open rank faculty position. The ideal candidate is expected to have extensive experience in the areas of molecular and clinical genetics. The faculty will teach in system-based courses throughout the medical curriculum and will serve as Course Director within the medical and PhD programs. The selected candidate will also serve as a facilitator for large group case activities, small group sessions, and case discussions. In addition to providing instruction, performing various administrative and service duties is expected. Participation in research initiatives and publishing your research and educational findings are encouraged.

Minimum requirements for this position include a PhD or MD, or equivalent. Three (3) years of relevant teaching experience in medical education and previous experience as a Course Director are strongly desired.

Qualified candidates are encouraged to apply to **Job Opening ID 524911** at <https://facultycareers.fiu.edu/> and attach a cover letter and curriculum vitae as a single pdf file. Candidates will be requested to provide names and contact information for at least three references (previous supervisors) who will be contacted as determined by the search committee. To receive full consideration, applications and required materials should be received by **October 3, 2021**. Review will continue until position is filled.

***FIU is a member of the State University System of Florida and an Equal Opportunity, Equal Access Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.***
